

The Clearinghouse Technical Assistance Team

What is Technical Assistance (TA)?

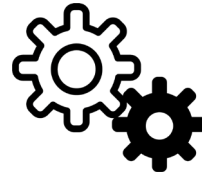

TA is the continued training and support before, during, and after program delivery.

Tools and Resources The TA Team has developed a number of resources and tools to assist professionals with:

Program Selection

Implementation

Evaluation Process

Access our tools and resources here:
<http://www.militaryfamilies.psu.edu/assistance/technical-assistance-resources>

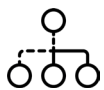

What can the TA team do for you?

Provide information on evidence-based programs

Help identify potential sources of funding

Provide strategies to help with program implementation

Help select a program

Identify research findings related to evidenced-based programs and implementation science

Help obtain program or training materials

Field questions related to the Clearinghouse Continuum of Evidence

Develop a program evaluation plan

Implementation Specialists at the Clearinghouse are available, free of charge, to assist professionals **Monday through Friday from 9 a.m. to 5 p.m. EST**
